SCREAMS BY THE SEA

INTERNATIONAL GENRE FILM FESTIVAL

“Screams By The Sea” is a one day event packed with exciting genre feature films, amazing short films & insightful panels and workshops

We're on a mission to discover and promote diverse & emerging talent

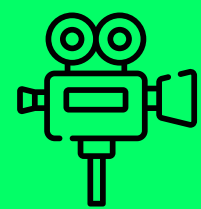

VISION & MISSION

"Screams By The Sea" honours the art of scary stories told through the lens, and celebrates the unique narratives that independent filmmakers bring to life on the big screen.

WHAT OUR GUESTS SAID

“
The festival was an absolute joy, the crowd was super engaged and enthusiastic.
”

dir. Mitchell Tolliday

“
I would recommend Screams by the Sea to any horror filmmakers out there who are looking for a festival that supports independent horror films and the filmmakers behind them.
”

dir. Stewart Sparke

“
This is going to be a cult classic attraction, just like Comic—Cons around the world.
